For the first time, the strategic objectives of the Beijing Platform for Action can be linked to a time-bound framework – that of the 2030 Agenda for Sustainable Development. Let’s work together to turn the goal of gender equality into a reality by 2030.

A quarter of a century after Beijing, not a single country has achieved gender equality. Beijing+25 and the global drive to achieve the SDGs provide us a unique opportunity to accelerate efforts, strengthen our partnerships and mobilize all of society, including all generations, to fulfill the longstanding commitments to women and girls.
