

## **UN Presentation**

### **Purpose:**

Increase Club awareness of FAWCO's involvement at the United Nations in our capacity as an Economic and Social Council (ECOSOC) accredited non-governmental organization (NGO) with special consultative status.

### **Objectives:**

To provide Club members with a deeper understanding of:

- global issues impacting women and girls based on United Nations agenda topics
- FAWCO's involvement in committees, working groups and initiatives at the United Nations main offices in New York, Geneva and Vienna, and regional offices
- roles and responsibilities of our UN Team in relation to FAWCO's four priority areas of education, environment, health and human rights
- UN Team's contribution to shaping FAWCO programs such as Global Task Forces, Target, Development Grants and Club initiatives

### **Benefits:**

Insights gained from the UN presentation will:

- reinforce FAWCO's global commitment to empower women through active partnership with the United Nations
- enable your Board to consider more active participation in existing UN-related FAWCO programs and provide communication tools to establish a network with the UN Team
- help your Club develop a more powerful 2014-2016 Target promotional strategy based on United Nations sanctioned initiatives
