## **Royal Yacht Britannia & Edinburgh Gin 1 day tour**

24<sup>th</sup> March 2019

After being collected from your hotel, your first visit today will be to the Royal Yacht Britannia. The Royal Yacht Britannia was home to Her Majesty the Queen and the Royal Family for over 40 years, sailing over 1,000,000 miles around the world. Now berthed in Edinburgh, you can follow in the footsteps of Royalty to discover the heart and soul of this most special of Royal residences.

Our next stop for the day will be at the world-famous Edinburgh Gin Distillery where you will be treated to a tour.

Learn about the history of gin, taking in Edinburgh's distilling past in the exhibition area, then experience up close in the still room how they make it today using their two working copper stills. For the grand finale, enjoy a tutored- tasting of a selection of the gins, and enjoy a refreshing G&T to finish.

You will then be transferred back to your hotel for 4pm.
