

Hope Beyond Displacement: Project Update - October 2017

▶ Super Girls

- ▶ The Educational Consultant conducted a two-day staff training on 'Becoming Even More Trauma Sensitive', trained the Super Girls volunteer staff, and is working to finalize the Super Girls curriculum
- ▶ Super Girls participants have been selected, and programming began in early October

- ▶ Women's Empowerment Training - the first set of Empowerment 101 and GBV Prevention/Outreach courses are two thirds complete, and classes are going well.

- ▶ ICDL Technical Training began, the students are learning more each class about computers - both hardware and software.

- ▶ Hair and Beauty Training has also begun, and students are learning and trying new make-up and hair techniques every week.

▶ Project Finances (through October 2017):
